

# **COMMUNITY INTEGRATION POLICY**

## **EMPLOYMENT**

Trissaki Beach hotel is aware of the importance of recruiting local people in to the business. We aim to help as much as we can our local community by employing staff from the vicinity of the hotel. This policy of ours helps the locals financially and it keeps the area alive and motivates locals to live and work in the urban area of Protaras.

## **PURCHASING**

As mentioned in our EMPLOYMENT statement above we are also committed in ensuring a wide range of high quality fresh and frozen products from the local market suppliers. Not only it helps the local community but it reduces CO2 emissions from transportation of products. For this reason, we:

We try to ensure our purchasing policy is followed.

We try to reduce or even eliminate the consumption of endangered fish species like blue fin, Atlantic halibut, bigeye tuna, Adriatic salmon and others.

## **CHILD PROTECTION**

Our hotel fully supports the protection of under-age labor and any child abuse including sexual abuse. All head employees receive training to distinguish basic child abuse incidents and inform the management in such a case. The management in a case scenario will inform the local child authorities whether they originated from guests or employees.

## **DONATIONS**

The management of our hotel is concerned about the socio-economic issues that are on an increase and were possible every aid needed is given, either by fund raising, donations, food, or even first aid items like baby milk, or linen, towels e.tc.
